

Fine Dining in the Comfort of Home

GOURMET ROOM SERVICE IS JUST A CALL AWAY AT 30 PARK PLACE.

“It’s a fine dining experience that rivals eating at any Four Seasons restaurant on the planet.”

For more than 50 years, Four Seasons Hotels and Resorts has been a leader in luxury hospitality, elevating the guest experience with new approaches to classic amenities and in-room features. There is a particularly strong history of excellence when it comes to the in-room dining experience, one of the most important tenants of the brand, with great emphasis being consistently placed on the quality of the food and beverage programs at Four Seasons around the globe. In-room dining can be arranged to arrive promptly, but speed does not mean service is sacrificed—it’s a fine dining experience that rivals eating at any Four Seasons restaurant on the planet.

“The extensive breakfast, lunch, and dinner menus include both unique, seasonal fresh fare and classic favorites available day or night.”

Four Seasons ensures the food that arrives at your residence in 30 Park Place upholds the exacting standards the brand is known for. The world-class service offers the same elegance and attention to detail as New York’s best restaurants, conveniently delivered to your home. The extensive breakfast, lunch, and dinner menus include both unique, seasonal fresh fare and classic favorites available day or night. Kid’s menus are available for the little ones. For special occasions and dinner parties, in-residence catering can also be arranged.
